PAUL RAGAN

CHAIRMAN'S WELCOME

A HUGE WELCOME TO ALL THE PLAYERS, STAFF, DIRECTORS & FANS OF COLWYN BAY.

It's November already, where does the time go?!

We started the month with an impressive 0-0 draw away to Bala Town. This was the second stalemate against Bala this season, having achieved the same result in the home fixture. Bala are a very good team, having finished fifth last season and currently sixth this term, so to get two positive results (without conceding a single goal in the process) is extremely pleasing! These results show that we can compete with the teams higher in the table, so I hope the boys can keep this level up and start getting the results we need.

Since our result against Bala, we have not played a game in two weeks. As much as consistency and momentum is important in football, having a two-week break has been refreshing and has allowed our players to regroup and recover. Our captain Clayton Green is back to full fitness and Ben Ahmun is very close to being back, so our squad is looking much healthier going into the latter stages of Phase 1.

Now onto today, as we welcome the 2022/23 Cymru North champions, Colwyn Bay, to the USW Sport Park. I am extremely excited for today's match up as it is the first time both

teams have played each other and I know both are hungry for three points so they can push up the table.

Having been one of the promoted teams last season, we know the visitors will be looking to prove themselves in this league, so it's important that we do not underestimate them. They have had a tough start to the season, having only picked up two wins so far, but I'd like to highlight how we had a similar Phase 1 campaign to them last season, and yet we managed to finish eighth in the league (in our debut season) after a stellar run of games during Phase 2. I am sure Colwyn Bay will strengthen and get results this season, but I believe the boys can get the result we want and need today.

Looking ahead, the club has set its stall out to attract a few more owners to achieve our target of 20 equal owners, following the model of several English League clubs.

At Pontypridd United we believe "It's not the power of one – but the power of many" which will pay dividends for this club as we strive to become a stronger club year-on-year, and a

model we are confident will one day not only achieve great things, but also be in existence for many years to come, something our community deserves.

A BIG HELLO and THANK YOU to all our PONTY HEROES and BUSINESS PARTNERS at Pontypridd United - without you guys none of this would be at all possible, so from me and all the board, a VERY BIG THANK YOU.

We're delighted to welcome **First Aid Training Wales** as today's matchday sponsor, and I look forward to them presenting Player of The Match at the end of the game.

We hope everyone enjoys the game today and we look forward to seeing you all back at Pontypridd United for our next home game on Saturday 2nd December vs Caernarfon Town (14:30pm kick off).

Let's make as much noise as possible for our lads today!!

LETS GO DRAGONS!

MAX JAMES

PRESIDENT'S WELCOME

Our club would like to welcome everyone at Colwyn Bay to the USW Sport Park.

Colwyn Bay were founded in 1881 and have two nicknames, 'The Seagulls' and 'The Bay'. For many years, Welsh football wondered when the club would return to Wales after joining the Birmingham & District League in 1935. They would eventually return to Wales in the 1937/38 season, where they gained a place in the Welsh National League.

Following the end of the Second World War, Colwyn Bay had a very successful period. They finished runners up in the 1945/46 and 1963-64 seasons, and were crowned Champions during the 1964/65, 1980/81, 1982/83 and 1983/84 seasons.

Following their success, the Seagulls then decided to play in England once more when they joined Division Three of the North West Counties League. By the 1987/88 season, the club reached Division One as well as the First Round of the FA Cup.

In 1992, the club were involved in a dispute with the FAW which led to them being ordered to join the newly formed League of Wales or cease playing in Wales. As a result the club would play in England until a court injunction allowed them to return to playing home matches in Colwyn Bay.

After a mixed period in England, the club made a return to the Welsh football system by joining

the newly formed Cymru North in 2019. Last season, the club won the League Cup North and the Cymru North title which earned them promotion to the Cymru Premier. During the season, the club won 25 consecutive matches, losing only once.

Those people who buy our programme will have noticed that I like to make a few suggestions on how to improve football. Whilst watching the UEFA Europa League match between Toulouse and Liverpool, there was a controversial moment in the final minute when VAR ruled out Jarell Quansah's equaliser for Liverpool. In the lengthy VAR check, the referee was shown replays of a supposed handball by Alexis MacAllister which happened three moves before the goal was scored. The ball appeared to brush the very top of MacAllister's arm which most pundits thought wasn't handball. My personal view is if it's called a 'handball', why not keep the arm out of the argument. I think this way will make it a lot easier for everybody.

Last Saturday our lads went up to play Bala Town and came away with a well-earned point. Supporters that travelled to Bala were delighted with how brilliantly the boys played, but were saddened by the bad injury suffered to Jack Karadogan. At first many feared Jack had broken his leg, but fortunately it was only his kneecap, which was put back into place by our physiotherapist Sam. Jack spent over 10 hours in the hospital, but we were all very pleased to see him attend a training session the following week to see everybody. All the best Jack, we hope to see you back in action soon.

We hope you enjoy the game today. The Pottery Bar & Restaurant opposite the ground is open for refreshments post-match - we hope everybody has a safe journey home.

LETS GO DRAGONS!
