CHAIRMAN'S WELCOME

A HUGE WELCOME TO THE PLAYERS, STAFF, DIRECTORS AND FANS OF FLINT TOWN UTD. WE HOPE WE MAKE THIS DAY A HOSPITABLE ONE, IN WHAT IS THE MOST FAMOUS DAY IN THE CLUB'S HISTORY TO DATE, OUR FIRST JD CYMRU PREMIER EXPERIENCE. I WOULD ALSO LIKE TO THAT OUR FRIENDS FROM SGORIO, AS THE GAME TODAY WILL BE SHOWN LIVE ON S4C.

Since becoming the Chairman at Christmas, my mission has been to implement a family feel and united aspect to the club, in addition to ensure the club is ready to hold its own in the Welsh Premiership.

Both our men's and women's teams will be competing at the highest level in Welsh Football - what an achievement! It doesn't stop there, our Academy, Junior and Grassroots teams continue to attract more interest from the community. We are without doubt an expanding force in Welsh Football. The only way is up, and I am sure the new season is going to be a good one for Pontypridd United.

We are an all-inclusive club, and despite our affiliation with Pontypridd, we are in fact a much wider club, attracting interest from players,

fans, and businesses from the surrounding areas too. This is a key reason why we took the decision to recently announce the change of name from Pontypridd Town AFC to Pontypridd United FC.

A big hello to our businesses club members, some of who are here in support today. We are taking on new businesses every week which is great news – thank you for your support. As a club we recognise the importance of our partners enjoying the journey with us and benefitting from the many networking opportunities and events that they will experience with Pontypridd United.

Have a great day, and don't forget we now have a café/bar selling drinks and snacks at the front of the USW main building.

LETS GO DRAGONS!

UNITED. BY OUR HERITAGE

We welcome the Management, players and supporters of Flint Town United to the USW Sport Ground today for a history making game for our club as its our first ever game in the Welsh Premier League. The visitors known as the 'Silkmen' are one of the oldest clubs in Wales and was established in 1886. Due to Flint's long history which is contained in five pages I have had to extract a number of interesting stories of their history. In 1893/94 Flint won the inaugural Championship of the North Wales Coast League but after finishing runners up for the following two seasons they joined the newly formed Flintshire League. In 1905 the club left Stand Park for a new ground at Holywell Road which was to become their home till 1993. Following the 2nd World War the amalgamation of Flint Town and Flint Athletic football clubs resulted in the formation of the Flint Town United football club, which entered The Welsh League North for the 1949-50 season. In that first season they finished runners up to Holyhead Town and had also won the Welsh Amateur Cup winning 2-1 against Troedyrhiw.

In 1954 they won the Welsh Senior Cup beating Cardiff City in the semi final 2-1 who were then a First Division Club and then Chester City in front of 15,584 at Wrexham. Since then Flint

Town United have been a very successful club and became founder members of the League of Wales in 1992.

To finally achieve promotion to the JD Cymru Welsh Premier League is the greatest prize our club has achieved since its formation in 1992 playing at Ynysangharad Park. We are sure that anybody who supported us at the old ground will enjoy the facilities at our new ground including three stands, a cafe for refreshments and ample parking. I am also sure you will all appreciate the standard of football that the Welsh Premier League will provide and give the vocal support our players will appreciate.

We also welcome our special guests and very many thanks to Sgorio and S4C who selected to film live our club as the first of the new season. To our Chairman Paul Ragan, Steve Savage, USW and all our team at Pontypridd United a big thank you for bringing us to the Welsh Premier League this evening. Don't forget to join us at The Pottery after the game and I hope you all have a safe journey home.

MAX JAMES, WITH TEARS IN MY EYES.

SUPERPOWER: GROUND SAFETY / TURNSTILE HERO

The lovely Lyndon has been on our gates since 2005, however he has been a Ponty United superfan for much longer!

He uses his superpowers as a ground safety steward and oversees the ticket sales and turnstiles ensuring compliance with the applicable FAW rules governing stewarding of Cymru Premier grounds.

He's always got a smile on his face and if you need to know something while your visiting the Pontypridd United ground, just ask. He knows it all.

TEAM TALK

ANDREW STOKES.

Q1

How do you find managing Pontypridd United?

It's an exciting challenge and one myself and the coaching team are relishing and really enjoying.

The ambition of the club was a key reason for me joining and I believe I can have a positive effect on the success of the team as we strive towards achieving our targets.

It will be a big challenge, but I fully believe myself and the staff can continue bringing good times to Pontypridd United.

Q2

How do you feel about the team's progress?

It's still very much a building process for the squad, but we are happy with the response, application and quality we have seen in training and preseason games.

I'm under no illusions however we are still work in progress and will continue to work hard to drive standards and make sure as a collective we are prepared for the big challenge ahead.

Q3

Is there anything you're looking forward to with the squad in particular?

Apart from the experience and challenges the Cymru Premier will provide us, definitely the initiations and songs on the bus back from North Wales. Some lads are already having themselves as The next X Factor winners so looking forward to seeing what they've got.

(Plus I do like a singsong myself).

Q4

What type of approach do you prefer to take as the Gaffer?

I think you have to have a balance of many approaches depending on what the individual or group need, and I have certainly shown many of those in the past.

Overall I'd like to think I'm calm and happy in my approach as I enjoy working with players and building an environment that is enjoyable, competitive and accountable. However, when we work, standards need to be met.

Q5

What is your favourite aspect of Managing a football team?

Winning!!!

I love all aspects of the role especially being on the grass coaching, but winning on match days is what it's all about.

Q6

What's your favourite football memory?

As an Aston Villa fan there's not been many! Haha! But being in France, following Wales in 2016 brought so many amazing memories as a Welsh Fan. Other than that, winning the league and cups as a Manager.

Q7

How many keepie uppies can you do?

Loads, definitely a lot more than Danny Williams.

Q8

What's your favourite food? And do you support pineapple on pizza?

Favourite food, Italian and I'd go for Pasta Arrabiata and some doughballs (not too many as I'm looking after myself). As for pineapple on pizza. Absolutely not.
