## CHAIRMAN'S WELCOME

**A HUGE WELCOME TO ALL THE PLAYERS, STAFF, DIRECTORS, AND FANS OF AIRBUS UK BROUGHTON, WE HOPE WE MAKE YOUR DAY A HOSPITABLE ONE.**

---

GOOD AFTERNOON to USW SPORT PARK – The home of Pontypridd United FC.

As a note, there will be a minute's silence before today's game to pay our respects following the very sad passing of Her Majesty Queen Elizabeth II, we kindly ask that you be respectful during this very sad time.

A bit about the 'Wing Makers,' they are a new team in the Cymru Premier this season, and eager to show their mettle after a promotion to the JD Cymru Premier in 2019 and a relegation the same season. An interesting match-up for us at Pontypridd United as we are both lower table teams that are hungry for points, so I think both sides will see today very much as a 6-pointer!

As for us, this is our 6th game in our inaugural year competing in the JD Cymru Premiership, and we as a club are under no illusions it's a huge step up from last season. That said, we have competed well in all our games and were deserving winners three weeks ago with a successful 2-1 win over Aberystwyth Town. Since then, a couple of well fought defeats against Cardiff Met and TNS, have evidenced

that this league is both tight and very competitive, which is great to see.

The squad continues to improve with a further loan deal until January for left back Joe Hunt from Britton Ferry (who has impressed) to complement that of Joe Woodiwiss and Lewys Twamley from Newport County. We have had several players out since the start of the season also with injuries and bans, but I'm pleased to see that these players are starting to return, which can only see us go from strength to strength.

We also welcome to the club new signing Elliot Richards. Elliot has been a professional all his life and starting his career playing for Bristol Rovers where he made over 112 appearances over a 4-year period. Elliot, we wish you well and hope you have a very successful and enjoyable time with the club.

Moving onto other positive news, we have this week secured an office for Pontypridd United FC, a big step in further commercialisation of our wider club. This is great news and will be a

great asset I'm sure as we continue to improve both off and on the pitch.

Great to see our women kick off the season too in the Genaro Adran Premiership, and despite a closely fought 2-0 loss to Cardiff City, much confidence should be taken from that, which bodes well for the season. Don't forget to check out the Women's fixtures in the programme, the team would welcome your support on matchdays.

I also wanted to mention the strong support we get on the Girls and Junior sides led by Louisa Hayhurst and Chris Hayhurst, respectively. The same applies to all the coaches, managers and parents who work tirelessly to ensure the Juniors continues to expand – well done to everyone involved.

A further thank you to Ben & the Team at the Academy also, a key focus this season is to ensure we compete well as a UEFA Category

B Academy, and it's great to see the results improving all the time – keep up the great work.

Finally, it would be remiss of me not to say a BIG HELLO and THANK YOU to all our business club members and especially to Hawfinch Homes, our match day sponsor. We are taking on new businesses every week which is great news – and as a club we recognise the importance of our partners enjoying the journey with us and benefitting from the many networking opportunities and events that they will experience with Pontypridd United.

Have a great day, GET BEHIND OUR BOYS, and don't forget we have a café/bar selling drinks and snacks at the front of the USW main building.

## PRESIDENT'S WELCOME

**WE WELCOME THE MANAGEMENT, PLAYERS AND SUPPORTERS OF AIRBUS UK BROUGHTON FC TO THE USW SPORT GROUND THIS AFTERNOON.**

---

Airbus whose nickname is The Wingmakers, which is self-explanatory, was originally formed in 1946 as Vickers-Armstrong.

Airbus have experienced Cymru Premier League football once before when they were promoted in 2004 after becoming Champions of the Cymru Alliance League. Airbus held their position in the League until the 2016-17 season when they finished in the bottom place but returned to the topflight in the 2018-19 season when they were once again Champions of the Cymru Alliance.

They have played in Europe on three occasions which confirms that they are a very experienced Welsh Premier League club.

Just one other thing and that is their Manager Steve O'Shaughnessy who has been their manager since 2016, played for my old club Inter Cardiff FC in 1995.

Our last game was at home against The New Saints who are a full-time professional club and who we played with a fair degree of apprehension. However, we surprised many people with only a 2-0 loss and one of those goals being a controversial penalty in the first

half. I don't think there is any doubt, even at this early stage of the season that TNS will add another Championship to their already impressive list of honours.

I would also like to add that our club were deeply saddened at the passing of Her Majesty Queen Elizabeth II and extend our condolences to all members of the Royal Family.

We hope you enjoy the game today as well as our new bar and refreshments facility and hope you all have a safe journey home.

## TEAM TALK

# BEN SLADE.

Ben Slade is Pontypridd United's Academy & Community Manager. Ben takes control of all the Academy sides, ranging from the under sevens up to under 19s. Ben also takes charge of community projects that engage young people, in the local community, through the power of sport.

For the club, the Academy is massive, as it paves the way for the future generation of young footballers. In his role as manager, Ben's top priority is that the players are given the best experience and that they develop into good people as well as good footballers.

*"I'm really big on the Academy experience. We want to give players the best experience of them coming into our Academy, as young as under sevens coming up all the way into the under 19s, and into our first team or even beyond that."*

*"We have a big emphasis on creating good people as well as good footballers. We are putting things in place around our programme that help individuals. We want them to be good humans and good people. We want them to be polite around the place and we want them to represent themselves, the club, and their family to a really high level."*

Furthermore, Ben hopes players of the Academy have fulfilled lives and continue to have a strong love and eagerness for football.

*"The success for us is players going on to have really fulfilled lives and having a long term affiliation with football. We don't want players to fall out of the game in their teenage years or their 20s."*

*"We want them to continue playing, whether that's with us which would be brilliant, but if not elsewhere, and really enjoying the game of football. This is the approach we are taking."*

To hear more from Ben, listen to Episode Four of The Ponty Football Show via GTFM Radio.
